WABA Learn to Ride Skills Clinic - Student Questionnaire

Please, take just a couple minutes to complete this questionnaire, print, and bring it to class for the Lead Instructor. This will help the instructors help you achieve your riding goals. We look forward to seeing you!

1. When did you take the Learn to Ride Class class (estimated day/month/year)?

2. How often have you ridden since your Learn to Ride class?

3. What riding skills have you been practicing, if any?

4. Are there any particular challenges you are facing (e.g., turning, starting/stopping, etc)

5. To help instructors in assisting you, briefly state your desired goals for the Skills Clinic
