

Reporting Aggressive Drivers

According to the National Highway Traffic Safety Administration, the definition of aggressive driving is:

"When individuals commit a combination of moving traffic offenses so as to endanger other persons or property."

Police will need to know the following information when you are reporting an aggressive driver:

- Description of Vehicle (color, make, model, license plate state, and license plate number).
- Description of driver (sex, race, age, hair color, height, weight).
- Location of incident.
- Date and time of incident.
- What happened?
- Would you be willing to serve as a witness? If yes, you must give your name, address and phone number.

How to Avoid Aggressive Drivers

- Get out of their way and steer clear of them on the road.
- Stay relaxed. Remember that reaching your destination safely and calmly is your goal.
- Don't challenge them. Avoid eye contact. Ignore rude gestures and refuse to return them.
- Give them the benefit of the doubt. Not all aggressive driving behavior is intentional.
- Don't block the passing lane, especially if you are driving slower than most of the traffic. Move over to the right lane.
- Dial #77 on a cell phone to report aggressive drivers or call your local police when you can.
