

WB&A Trail Extension along MD 704

Feasibility Study

Community Meeting and Workshop

Please join M-NCPPC staff, consultants from Wallace Montgomery, and members of the Capital Trails Coalition as we discuss the extension of the WB&A Trail and get input, feedback and ideas from the community about how this trail should be designed to best meet the needs of the communities of central Prince George's County and area bicyclists. This planned extension will be part of a complete cross-county trail, connect into the regional trail network and improve safety for bicyclists and pedestrians.

Meeting Location: Woodmore Town Centre Community Room - The community room is in the town center just off Woodmore Centre Drive. It is behind the Petco and near Kenny's Chinese Takeout. The entrance has a sign and is located next to the security office. The entrance is marked with the blue star on the map on the back of the flyer. The rear parking deck can be used for the meeting.

Date: Tuesday, April 10th

Time: 7:00 to 9:00 pm
