

Welcome to our summer program!

A note from the Executive Director:

Working with youth to improve their bicycling skills is a deeply meaningful part of WABA's mission. But Bike Camp! is more than biking — it's about team-building, fun, community, and discovery. The multidisciplinary nature of the camp will get our students thinking about their environment, mechanics, engineering, city planning, and the community they live in.

I'm beyond proud to welcome you and your children to be a part of this program and to join me in helping to build a better, more bike-able region for everyone.

Please don't hesitate to contact me with any questions. You can also check out the FAQs at www.waba.org/bikecamp. We look forward to working with your child this summer.

Sincerely,
Greg Billing, Executive Director
Washington Area Bicyclist Association
